

OnDemand Shuttle Service Area

To request a ride, download the TransLoc Rider mobile app:

translocrider.com

Or visit the website: ondemand.transloc.com

Designated zone for MIT SafeRide OnDemand shuttle

The SafeRide OnDemand vans will pick up and drop off riders at locations within this zone, which covers the same areas covered by the fixed-route shuttles.

OnDemand shuttle hours

Sunday-Wednesday 11 PM-2:30 AM (last call 2:15 AM)

Thursday-Saturday 11 PM-3:30 AM (last call 3:15 AM)

To request a ride:

Download the TransLoc Rider mobile app: translocrider.com
or visit ondemand.transloc.com

Accessibility

SafeRide service is accessible for all members of our community.

After scheduled service hours

The MIT Police will accommodate requests for safety rides in MIT Police cruisers after SafeRide service ends each night. Call 617-253-1212.

Questions?

- For further information about SafeRide, call 617-258-6510 from 8 AM-5 PM or send an email to SafeRide@mit.edu.
- The SafeRide manager can be reached at 617-253-2997 from 5 PM to end of service (2:30 AM Sun-Wed, or 3:30 AM Thurs-Sat).

Feedback?

This on-demand shuttle pilot program is running from February through the beginning of June 2018, and we are interested to learn about your experience with the service. Let us know!

Note:

Between 6 PM-11 PM, fixed-route SafeRide shuttle buses will be following their stop-to-stop routes as usual. At 11 PM, the fixed-route shuttles stop service, and the SafeRide OnDemand shuttle service begins. The two services do not run at the same time.
