T-pass

MBTA Pass
Program

2008-2009

Massachusetts
Institute of
Technology

MIT subsidizes the purchase of monthly MBTA passes in an effort to promote public transportation, decrease traffic congestion, reduce energy consumption and mitigate MIT's impact on the environment.

MBTA Fare Media

The MBTA uses two types of media: A permanent Charlie Card and a Monthly CharlieTicket. CharlieCards are issued for Bus Passes and Link Passes. CharlieTickets are issued for Commuter Rail and other monthly passes.

Your CharlieCard will automatically be reloaded for the next month unless you opt to suspend your pass, skip a month, cancel out of the MIT Subsidized T-Pass Program or change the type of pass you order.

If your pass is on a CharlieTicket you must come pick it up at the designated pick up times and locations each month.

Canceling, Suspending, and Resuming Service and Switching Pass Types

Your CharlieCard will be deleted from the MBTA system any time you opt to suspend your pass, skip a month, cancel out of the MIT Subsidized T-Pass Program or change the type of pass you order.

When you decide to resume service, it is the equivalent of re-enrolling in the program. The same enrollment deadlines apply for resuming service as for your initial enrollment. Temporary CharlieTickets are available on limited, first-come, first-served basis starting the 1st of the month for those people who have enrolled in the LinkPass or Bus Pass program but have yet to receive a CharlieCard.

Who is eligible?

- Registered students who have a current bursar account, and do not have a full MIT parking permit
- Employees who do not have a "Regular Commuter" parking permit, and are eligible for payroll deduction

How do I sign up?

Students must enroll online at <http://web.mit.edu/facilities/transportation/> for the T-pass program each year. Applications run from September to August. Students leaving for the summer are encouraged to complete a new application online for the following year before they leave. The Parking & Transportation Office will sell September T-passes to students who are not enrolled in the program only during the last three business days of August. After this date, students must follow the schedule listed in "Important Dates" table. Employees need only to enroll once. Employee accounts remain in effect until the employee cancels or suspends the account online at <http://web.mit.edu/facilities/transportation/>

How do I pay for my T-pass?

The only payment methods accepted (except for September) are bursar deductions or payroll deductions. Any applicant not eligible for either method is not able to participate in the program.

Where can I pick up my T-pass?

Parking & Transportation Office (W20-022)
Passes will be available for pick up the last three business days of each month from 8:30AM to 5:30PM. Passes not picked up during this time will be distributed from 8:30AM to 4:30PM, Monday through Friday.

See website for up to date T-pass distribution information.

How do I cancel my T-pass account?

Anyone wishing to cancel their T-pass account must do so at: <http://web.mit.edu/facilities/transportation/> Should you go on leave, terminate employment, or leave school, you still must cancel or suspend your account to prevent us from ordering a T-pass for you. Without cancellation/suspension, we will deduct the T-pass fees from payroll and bursar accounts.

Monthly Pass Zones

Zone	Regular Price	Subsidized Price
