Thank you for your willingness to participate in the 2002 MIT Transportation Survey. Your responses will be used to effectively evaluate the commuting patterns of our employees, students, and guests.

This survey should take about 10 minutes to complete. Your participation is completely voluntary, and all replies will be confidential. You may skip any question you do not want to answer, and you may stop at any time. Your answers will not be saved until you select the "Submit Survey" button at the end of this page.
