IRDF – FSILG Community Network Upgrade Project – Contact and Option Sheet

Please list at least one Alumni/ae and two undergraduate contacts for this project. For the undergraduate project contacts we suggest the ILG-net contact, House Manager, and or President or their equivalent positions. For the Alumni contacts we recommend the Alumni House Manager and the Corporation President, or Treasurer.

These individuals will need to be authorized to provide access to your building, and all of its rooms, to the vendors over the course of this project. The project contacts will be the primary point of contact for your organization and will represent the organization in terms of approving / disapproving of the scope of work to be performed. All requests associated with the project will require approval of these individuals. The individuals can be changed with proper notice to the FCI.

Project Contact Name	Telephone	Email	Position	Undergraduate / Alumni

If you are interested in upgrading your fire alarm system to a radio communication link that would remove the need for the two telephone lines please circle. Upgrade to Radio Link YES NO

Please indicate the additional related wiring / services you would like to pursue as part of the overall project. The costs for this additional work will be funded solely by your organization. This list must be initialed by one of the Alumni project contacts and returned to the FCI office by the end of February.

Possible additional services: (please initialize if interested)	Alumni
CATV wiring (Cable or Satellite)	
VOIP switch / Telephone system / VoIP telephones	
Access Control - Proximity, Swipe, Keypad systems	
Alarm System	
Intercom or doorbell system	
Building Monitoring System - temperature, door status, etc	
CCTV Systems	
Other: (please list)	

Please return this sheet to the FCI office by the end of February.
Informational sessions – Wed 2/13 – W20-306 9:30am - Thur 2/21 - W20-208 7:15pm
