Dear AIILG members,

Thank you to the several groups who already responded to the early October e-mail requesting sponsors for the IRDF’s 50th Anniversary Celebration. We are hoping that several more FSILGs can participate as well.

Most of you know how important the IRDF has been to sustaining and strengthening our FSILG community. So it seems fitting to celebrate this 50th anniversary and our community more generally. The date is set for Saturday April 26, 2014. Within a few weeks, you see a general registration page and all FSILG alumni, actives, and friends are invited to attend any or all of the events, which will include a variety afternoon seminars and activities and a gala dinner the evening.

Becoming a sponsor is very straightforward. There are two levels of sponsorship - $5000 and $1000. Sponsoring groups will receive special recognition in the publicity and program brochure. To participate, please send either a $1K or a $5K check made out to “MIT”, with a notation of “IRDF 50th – fund 4007200”, to Bob Ferrara, Division of Student Life, MIT, 77 Massachusetts Ave, Building W32-133, Cambridge MA 02139.

These contributions go to a new fund established just for this purpose - Independent Residence Development Fund (IRDF) 50th Anniversary (fund # 4007200). At the conclusion of the 50th celebration, the balance of the fund will be transferred to the central IRDF Fund.

Registration for FSILG undergrads, alums, and friends for all events and tickets for the Gala on April 26 will be open in January. Thank you all you do for the FSILG community. We are looking to great celebration with you next spring.

Best wishes and Happy Holidays, the IRDF 50th Gala Committee,
