

TIPS FOR ENGAGING LEARNERS: THREE STRATEGIES

Strategy #1 – Preparing to learn

- ☐ WIIFM
- ☐ Identify the Objectives
- ☐ Communicate, communicate, communicate!

Strategy #2 – Tap into experience

- ☐ Get them to share ideas
- ☐ Before class: Send a questionnaire to get them thinking
- ☐ At the beginning of class: Ask open-ended questions to stimulate ideas
- ☐ During class: Draw real-world examples from the group to generate conversation & build bridges

Strategy #3 – Avoid Information Overload

- ☐ Consider the learner: how much do they know?
- ☐ Break up your content into chunks
- ☐ Incorporate activities
