

Advisory Group Profile	IT Leaders
-------------------------------	-------------------

Purpose

IT Leaders is a forum for the leaders of various IT groups at MIT to learn what other departments are doing with technology. Through general roundtable discussion, in addition to covering specific topics of interest, it is hopeful that this forum will facilitate even more partnership and collaboration among the IT leaders across MIT.

Chair	Jerry Grochow, VP for Information Services & Technology IS&T
--------------	--

Key Services

Provide a forum for IT Leaders to:

- seek information, ideas, and advice on IT related topics
- solicit and identify opportunities for cooperation on IT initiatives, such as the recent MIT-wide Microsoft agreement.

Criteria for Membership

Members of the MIT community who hold an IT leadership role and are interested in learning from and sharing with others in similar roles across the institute should request to be invited by the IS&T VP.

Terms of membership and leadership	Open to those in MIT IT Leadership positions
---	--

Meeting frequency	The 1 st Monday of every other month
--------------------------	---
