

# Applications of Statistical Physics in Biology

## Topics:

- **Sequence: Evolution & Comparison**
- **Structure: Proteins & Nucleic Acids**
- **Function: Force & Motion**
- **Emergence: Networks & Pattern**

27 May - 7 June 2013

**Prof. Dr. Mehran Kardar**

**International Francqui Professor**

**Massachusetts Institute of  
Technology (MIT), Cambridge,  
MA, USA**
