Student Agreement Form

Welcome to the Educational Studies Program Summer HSSP! This is not a school: the teachers here aren't worried about tests, papers, and grades, only in helping you learn their favorite subject. Have some fun!

To help create an enjoyable community of learners this summer, please read carefully the following expectations for all students:

• Respect your fellow students and your teachers, behaving politely and cooperatively both inside and outside of the classroom, and never disrupting the class's learning.
• Try your best in your courses.
• Attend all class sessions. (If you have to miss a class, please let your teachers know in advance – they can help you catch up.)
• Realize that you are a guest in the MIT university community, and conduct yourself accordingly.
• Refrain from swearing, drugs, and other indecent activities.

In return, you can expect from the program directors and teachers:

• Interesting, engaging lessons and activities.
• A detailed plan of the course in advance.
• Advance notification of class cancellations. (If your teachers do not arrive within 15 minutes of the start of your class without prior notification, please contact the HSSP office immediately.)
• Notification of lunchtime activities and other optional HSSP-related events.
• A great learning experience.

By signing below, I confirm that I have read and understood with everything above.

I understand that ESP cannot accommodate students who are unwilling or unable to meet the student expectations.
