

## CAMBRIDGE COMMON

Cambridge Common is a comfy, welcoming neighborhood restaurant. We bring you sensational down-home meals, huge portions, a full bar with 24 brews on tap (five daily tap specials), and a darned good time.

Cambridge Common is also home of the Lizard Lounge, an intimate, funky club offering live music nightly. Stuff @ Night calls Lizard Lounge "The hippest ambience in town", and The Improper Bostonian says, "The ultra-hip Lizard Lounge provides some of the most unique live music around."

Both Cambridge Common and Lizard Lounge are available for private parties from 20 to 100, for events from offbeat to swank. Please call us for party planning information at 617-547-1228.
