

Why Is Papa John's A Better Pizza?

At Papa John's we use, to put it simply, Better Ingredients to make a Better Pizza. Starting with our superior-quality pizza sauce. We use only fresh-packed vine-ripened tomatoes which go from the vine to the can in an average of six hours.

Our dough is made fresh, not frozen. The cheese we use is made with 100% mozzarella. We use only authentic and flavorful high-quality meats on our pizzas. Our mushrooms are fresh baby portabellas we call Baby PapaBellas™ and our peppers and onions are always crisp because they are purchased from local markets and freshly sliced at each of our stores.

All of these top-quality ingredients, plus a commitment to satisfy each and every one of our customers, is why Papa John's is the Better Pizza.
