S & S RESTAURANT

A Great Find Since 1919

www.sandscatering.com

*Four generations ago, our great-grandmother would
welcome her customers in Yiddish:*

“Es and Es”

*A very maternal expression for eat and eat. Ma Edelstein's
special saying inspired the name for today's S&S Restaurant.
Over the year's we've changed, but great food and great value
are still the order of the day. The Mitchell-Wheeler family
invites you to experience S&S Catering and to
enjoy what's new – and what's old...*

Our family and staff are proud to offer our award-winning services for all of your catering needs.
