Meeting Minutes October 14, 2012

Food Steward- Adam:
- On the subject of vegetarian menus: numerous complains about vegetarian-only menus, strongly suggest including a meat option, veggie menus make carnivores unhappy :c
- Gardés: 3 ways: sheet sign up (highly suggested), email & call LMF. You are encouraged to call French house (617-253-1000 and say French house) as this will more likely guarantee you’ll get your gardé.
- If you won’t be eating your gardé that same night, please remove your plate from the fridge, put in Tupperware and move into a personal fridge. Too much crowding otherwise.
- Clean up your stuff :) 
- Cooking teams, make sure to clean sinks and run garbage disposals
