- Page 14** The US Navy changed the web site for the Walker and Nagel report on "Optics and MEMS". The new website is: <http://mstd.nrl.navy.mil/6330/6336/moemsdownload.html> This web site also appears under "Related Reading" on page 559 and in Reference 114 on page 673. (This is why you should be cautious about publishing web sites in books.)
