

CLASS ASSIGNMENT due SEPT 16, 2013

- Each team will get 5 minutes on Monday to introduce themselves and make an initial mission statement
- Each team should appoint a temporary leader and put together 1-3 PowerPoint slides in addition to names. Email them to Annie @ annbauer@mit.edu before 1PM on Monday
- On the Wiki page, make a team page with your names, contact information, and mission statement. Each team should define water security especially in light of the Tragedy of the Commons discussion

Each team should use their library skills to discover **three** relevant papers using one of the search engines, post their titles and a brief synopsis (1/4 page) on the their **Team Wiki page**
