#### About AIF

The mission of the American India Foundation (AIF) is to catalyze social and economic change in India. AIF mobilizes resources in the United States and invests these to improve education, livelihoods and public health for the marginalized in India.

#### About MIT-India Program

The MIT-India Program facilitates dynamic connections between thinkers and ideamakers of the MIT community and their counterparts in India. Drawing from an extraordinary network of renowned research institutes, universities, and corporations, the MIT-India Program aims to be as vital and multifaceted as the country it represents.

Nandan Nilekani

#### About the Book

Nandan Nilekani gives a fascinating new perspective for the twenty-first century, defying received and imported wisdom, and shows what is really at stake in the world's largest democracy.

#### About Nandan Nilekani

Nandan Nilekani is the co-chairman of Infosys Technologies Limited. He co-founded Infosys in 1981 and from 2002 to 2007 served as its CEO. In 2006, Time magazine listed him as *one of the 100 most influential people in the world* and in 2007 he was named Forbes Businessman of the Year for Asia.
