

The Blue Moon Fund, a private foundation based out of Charlottesville, VA (<http://www.bluemoonfund.org/>), seeks a full-time Program Associate to assist with energy and environment program development in Asia. The Program Associate will assist with research, strategy, communications, and travel for all projects in Asia. He or she will identify and interact closely with all grantees. Experience in Asia and/or language skills mandatory. See attached for more details.

Please feel free to forward this on to anyone you think might be interested in applying. Also, please contact me directly with questions - I can personally vouch for the The Blue Moon Fund as a great place to start if you're interested in foundation or nonprofit work.
