### New Business

- \$100 approved for a dongle for the bridge mates.
- The dealing machine may need it's 10 year service. Shirley will talk to Dean P. to get an estimate. If it is under \$500 then no further approval is needed.
- Voted to use the common game now that we know that we can post results immediately. Some ACBL wide games may need to wait until 11:30 pm to post results, however that is infrequent enough to not be an issue.
- It was approved to buy new checks.
- Pete's to transfer to Shirley second person access to bank account.
- As there seems to be no issue with getting rooms, Shirley is to remain an officer of the club.
- A special thank you to Jeff Scott for serving as president for the last year.
