Monday, February 1st - **Individual Tournament! What Fun!**

All Classes are from 7:05-9:30pm in Building 4, Room 149.

Each session will consist of a lecture, several examples, and supervised play. By the end of this eight-session course, the student will have learned enough to play bridge socially, and start exploring the exciting world of duplicate bridge. There will also be an individual tournament at the end of the course, with prizes for the winners.
