

Holy Are You Lord
(Brooklyn Tabernacle Choir)

Verse:

Hear the sound of heaven, like the sound of many waters
It's the sound of worship, coming from the throne
Cries of adoration, as men from every nation
Lift their voice to make His glory known, singing

Chorus:

Holy, holy, holy are you Lord
Holy, holy, holy are you Lord
The elders and angels bow
The redeemed worship you now
Holy, holy, holy are you Lord
