

You Are God

(Austin Marks)

I lift my hands to surrender to you
I lift my voice to sing your praises

No other help, in this world, will I turn to,
You are Lord, You Are King,
You Are God

You are Holy and righteous
You're power and wisdom we proclaim
Your mercy endureth
You are Lord, You Are King,
You Are God

Holy,
You are Holy (Repeat)

Worthy,
You are worthy (Repeat)

Worthy, Worthy (Repeat x6)
Lord We Bless Your Name

You are Lord, You Are King,
You Are God
