Mark Epstein Innovation Gallery Grand Opening Celebration!

**Ribbon Cutting—Science Demonstrations—Food—Music
Saturday and Sunday, Sept. 29 & 30, from 10:00 a.m.-4:00 p.m.
Free Admission.**

CAMBRIDGE, MA --

Saturday's party begins outside the MIT Museum at 10:00 a.m., with a ribbon cutting ceremony, breakfast and the MIT Marching Band.

With activities on the sidewalk and in the Museum, the free open house will be fun for everyone. Some of the programs lined up in the [Mark Epstein Innovation Gallery](#) are bubble demonstrations by the MIT Society of Women Engineers, a performance by the Underground Railway Theater, the MIT Logarithms, and juggling workshops. Students, curators and researchers will also be on hand throughout the weekend to talk about the new exhibitions and answer questions in an informal setting.

Chances to win prizes at the new Museum store, balloons and popcorn are just some of the extras you'll enjoy during this festive weekend. Come help us celebrate this new 5,000 sq. foot gallery, opening right on Mass. Ave in the heart of Central Square! Download the program for the weekend and find the times that you would most like to visit. See you soon!
