Schedule of Sessions & Events

Tuesday, August 7

Exhibit Setup
NCFMTC Executive Board meeting

5:00 - 7:00 PM WELCOME RECEPTION AND CONFERENCE REGISTRATION
The R&D Common
The Stata Center
Massachusetts Institute of Technology

Wednesday, August 8

8:00 - 8:15 CONFERENCE OPENING AND WELCOME
Scott Shader
President, NCFMTC Executive Board
Director, Space Planning and Management
University of Missouri

8:15 - 9:30 KEYNOTE ADDRESS
Diane Davis
Scoping Team Chair
National Building Information Model
Standard (NBIMS) Committee
Back to School With BIM
Kimon Onuma
Principal
Onuma, Inc.

9:30 - 9:45 *Break*

9:45 - 10:45
W2A **Jim Nelson**
Director of Planning Resources
University Planning Office
Harvard University
Building a Campus Model from Scratch

W2B **Matt Davis**
Regional Manager
ESRI Boston
Basic GIS Modeling: Improving Campus Maintenance, Management, and Planning

W2C **Clyne S. Curtis**
CAD Manager
Brigham Young University
Brian Haines
Product marketing Manager
Building Asset Management
Building Solutions Division
Autodesk, Inc.
BIM to FM in 10: Brigham Young University's Integration of Revit and FMDesktop

10:45 - 11:00 *Break*

11:00 - 12:00

W3A Rich Grady, Moderator
President
Applied Geographics
Security Issues Associated With Spatial Data

W3B Montgomery Combs Steve Hanes
Director of Systems and Services Senior Business Solutions Consultant
Facilities Management FAMIS Software, Inc.
Brown University
The 60-Month Tune-up

W3C William Reilly
Technology Projects Manager
MIT Libraries
**FAÇADE: Future-proofing Architectural Computer Aided Design:
MIT Libraries CAD and BIM Preservation Research Project**

12:00 - 1:15 BOX LUNCH & EXHIBIT

1:15 - 2:15

W4A Mike Parkin
Manager, Drawing Information Systems
Campus Planning and Design
Massachusetts Institute of Technology
Inside Out: GIS Analysis of Interior Spaces

W4B Eric Rothgarn Diane Behling
Office of Resource Management & Educational Facility Planner
Planning Capital Planning and Space Management
UC Davis UC Santa Cruz
Implementation and Benefits of a Web-Based Facilities Space Accounting and Capital Planning System

W4C Katherine O'Brien
GIS Coordinator
University of North Carolina at Chapel Hill
A Campus-wide Geodatabase: The Bricks and Mortar of a University GIS

2:15 - 2:30 *Break*

2:30 - 3:30

W5A Myra Agree Marty Chabot
Space and Facilities Planning Vice President of Marketing
Vanderbilt University Medical Center FM: Systems
Growing a System

W5B Charles Bowler
University of Maryland
Interactive Wheelchair Access Maps

W5C Kreon Cyros
President and CEO
The INSITE Consortium
Space Inventory Techniques

3:30 - 4:15 CONFERENCE PHOTO

Thursday, August 9

8:15 - 9:30 **General Session**

Rich Grady President Applied Geographics, Inc.	Sean Myers GIS Practice Manager CDM	John Przybyla PE, GISP Vice President Woolpert, Inc.
-------------------------------------------------------------	--------------------------------------------------	-------------------------------------------------------------------

Moderator: Jeannie Rice, Director, Facilities Information Services, Vanderbilt University

Successful GIS Assessments and Implementation Plans

9:30 - 9:45 *Break*

9:45 - 10:45

T2A **Paul Cote**
Graduate School of Design
Harvard University

Activities Bridging the Information Domains of AEC+FM and Geospatial Information Infrastructure

T2B **Margaret Kinnaman**
Director, Business Administration and Support Services
Facilities Management Division
University of Maryland, Baltimore

Telling Your Story Using APPA's Facilities Performance Indicators

T2C **Mike Guidry**
Associate Vice president
Facilities Services
Tulane University

Mitigation and Rebuilding after a Natural Disaster (Katrina)

10:45 - 11:00 **BOX LUNCH & EXHIBIT**

11:00 - 12:00

T3A **Glenn Seehausen**
President/CEO
Acad Plus, Inc.

Lessons Learned While Implementing Document Management

T3B **Annie Newman**
Senior Associate
SBRA

Tim Anderson
Vice President
Computerized Facility Integration (CFI)

Accurate Space Inventory: Essential for Effective Campus Master Planning

T3C **Luciana Burdi**
Program Manager
Division of Capital Asset Management
Commonwealth of Massachusetts

Sheila Sykes
Vice President for Finance and
Administration
Fitchburg State College

Jay Bry
Assistant Vice President,
Administration
Fitchburg State College

Richard Green
Director, Sciences Group
CBT/Childs Bertman Tseckares

Jon French
CBT/Childs Bertman Tseckares

The Use of BIM for the Study, Space Programming, and Early Design of the New Fitchburg State Science Building

12:00 - 1:15 *Break*

1:15 - 2:15

T4A **Seth Teller**
Computer Science and Artificial Intelligence Laboratory
Electrical Engineering and Computer Science Department
Massachusetts Institute of Technology

Fine-Grained Semantic Indoor Maps, Situational Awareness, and Applications

T4B **Stuart Rich**
GIS Practice Manager
Penobscot Bay Media

Developing a GIS Data Model Standard for Interior Spaces

1:15 - 2:15

T4C

Maureen Jennings

Archivist / Librarian
Project Information Resource Center
University Planning Office
Harvard University

Now That We Have It, How Do We Keep Track of It? A Model for Managing Construction and Building Records at Harvard University

2:15 - 2:30

Break

2:30 - 3:30

T5A

Mike Flaxman

Professor of Urban Planning and Operations Research
Head, Urban Information Systems Group
Massachusetts Institute of Technology
TBA

T5B

Dave Barnas

Senior Physical Space Administrator
Facilities planning & Design
SUNY Buffalo

Bill Tibbs

Campus Planner
Facilities design and Construction
Brown University

Bob Boes

Campus Planning and Design
Massachusetts Institute of
Technology

The Business of Systems: Management Views of Business Valuation, the Selection-Implementation Process, and the Centrality of People Data

T5C

Jim Pugh

GIS Project Manager
Evans, Mechwart, Hambleton & Tilton, Inc

GPS – A Primer

3:30 Exhibit Closes

6:00 - 9:00PM Dinner cruise on the Boston Harbor on board the Spirit of Boston

Friday, August 10

8:00 - 8:30

Scott Shader

President, NCFMTC Executive
Board

AWARDS, SCHOLARSHIPS, ETC.

8:30 - 9:30

Chris Dizon

Google SketchUp Account Manager
Google

Allyson McDuffie

Education Program Development Specialist
Google

Google SketchUp Modeling and Campus Visualization

9:30 - 9:45

Break

9:45 - 10:45

F2A

Gary Smith

President
Green Mountain Geographics

Using Sketchup and ArcGIS to Map and Manage Buildings

F2B

Walter Newman

Director of Paper Conservation
Northeast Document Conservation Center

Preservation Issues of Drawings and Other Documents

F2C

TBA

TBA

10:45 - 11:00

Break

11:00 - 12:00

F3A	Peter Kimmel FMLink	Rod Stevens Pioneer Hybrid
-----	------------------------	-------------------------------

Moderated Discussions of Technical Issues

F3B

Open Sessions
Birds of a Feather Sessions

12:00 CONFERENCE CLOSE
