PhysGAAP: closing the gap to Physics

Why enroll?

- Connect with a current graduate student mentor.
- Find out what graduate school life at MIT is like.
- Gain insight into the graduate admissions process.
- Get feedback on your application and essays.

How to apply:

Fill out the survey. [https://tinyurl.com/physgaap20](https://tinyurl.com/physgaap20)

Who is eligible:

We welcome applications from all prospective students and we highly encourage applications from students with non-traditional backgrounds*.

*These include but are not limited to: under-represented minorities (URMs), women, those who identify as LGBTQIA+, students with disabilities, students who are the first in their families to attend college or graduate school, students with non-traditional academic timelines, and applicants from undergraduate institutions that typically do not send many students to MIT.
