

STOP THE CONFIRMATION OF JOHN ASHCROFT FOR ATTORNEY GENERAL!!!

George W. Bush has nominated John Ashcroft to serve as his Attorney General.

John Ashcroft is a foe of women, of gays and of ethnic minorities.

Intolerance is the center-piece of his career, and he is not suitable to be the defender of our nation's laws.

John Ashcroft's record of intolerance:

-  He opposed the confirmation of James Hormel as ambassador to Luxembourg simply because Hormel is gay. He opposes hate-crime legislation and legislation protecting gays in the work place.
-  He earned a "failing" grade on the NAACP's Legislative Report Card.
-  He voted in favor of overturning *Roe v. Wade* and denying a constitutional right to safe and legal abortion services, **even in cases of rape and incest.**
-  He supported legislation declaring that life begins at fertilization, a measure that **would even outlaw some of the most common forms of birth control including the pill and IUDs.**
