The Online Registration Application

About the Online Registration Application
Registration is the process of selecting and approving subject selections, providing/updating important contact information, and agreeing to the terms of enrollment each semester. The Online Registration application allows you and your advisor(s) to select subjects and submit your registration.

What is the Sequence of Online Registration?
The Online Registration Process proceeds through a sequence of steps. At subsequent stages of the process your online registration passes through different status designations. You can follow the process on the Registration Status Timeline.

Pre-Registration takes place before Online Registration begins. If you have pre-registered, a green check will show on the Registration Status Timeline at the first step. If you have not pre-registered you may still use Online Registration but you will not see the green check. Freshmen do not pre-register, therefore you will not see the green check icon for Pre-Registration.

1. Edit Subject Selections - Awaiting Approval
   Awaiting Approval means the subject selection process is in progress.
   When online registration opens for a given term, if you are eligible to register you are assigned the state of Awaiting Approval. In this state, you or your academic advisor may edit your subject selections.

2. Advisor Approval - Approved
   Approved means you have met with your Advisor and your subject selections for the upcoming semester have been approved. Once Approved, your selections may not be altered in the Registration system. To make changes, use the Add/Drop/Change process.

3. Review and Submit Registration - Submitted
   Submitted means you have sent an approved set of subject selections to the Registrar.
   Once subjects are approved by your Advisor, you will continue through the Submit process which has a few additional steps. After you complete the additional steps and click the Submit button, your registration state becomes Submitted and registration is complete.
