

MIT CLASS OF 1967

With a busy schedule ahead of you — rushing, classes, “bull sessions”, dances, and the inevitable exams — you’ll want to put your mind at ease about your money.

Open a Special Checking Account at either our Kenmore Office, where Beacon Street meets Commonwealth Avenue in Kenmore Square, or our Massachusetts Avenue Office, just past Commonwealth Avenue, within easy walking distance of the fraternity houses.

Your Special Checking Account can be opened with any amount and there’s no

charge for deposits. You have your choice of three styles of check registers and you’ll like your checks imprinted with your name.

Service charges are low — 10¢ for each check paid, 50¢ a month for maintenance of your Account. A monthly statement keeps you up to date on your current balance.

Jot it down on your pad — “See Mr. Mul-loney at the Kenmore Office or Mr. Ritchie at the Massachusetts Avenue Office about opening my Special Checking Account — 9 to 3:30 any weekday”. But better do it today!
