**Samskrita Bharati** is a voluntary non-profit organization that is dedicated to bringing Samskritam back to daily life. By organizing courses, camps and other activities, Samskrita Bharati is creating Samskritam-speaking communities across the US.

Experienced volunteer-instructors use an effective and natural teaching technique similar to a child learning its native language by observing and listening to parents and siblings. Participants will learn basic skills of spoken Samskritam.

This workshop is part of the Samskrita-abhiyaanam 2012 organized all over North America.
