

Considering a career as a trader?

Visit CareerBridge for a complete job description

**Learn more about our recruiting process for full-time positions and apply today at:
<http://optiver.ennect.com/events/cambridge>**

Although we don't have internships, we are encouraging December, 2009 – June, 2010 graduates to participate in the first part of our application process (Optiver's 8 minute mental math test) this winter
If you are interested - **GET AHEAD, APPLY EARLY!**

Optiver began in 1986 as a market maker on the Amsterdam-based European Options Exchange. We started with just a single floor trader. Today, we are a leading independent global arbitrage group with offices in Amsterdam, Chicago, and Sydney. Our strategic office locations ensure that we are active in every major time zone.

**Optiver will also be on campus
Tuesday, February 3 at the Tau Beta Pi Career Fair
Visit our booth for more information**
