**Grand Total:** \_\_\_\_\_

**Total Subsidy Request (50% up to maximum of \$200):** \_\_\_\_\_

**Policies:**

- The MITFSC board has decided to reserve \$3,000 of the profits from hosting an intercollegiate competition to subsidize private figure skating lessons for students during the 2012-2013 school year.
- If your application is approved, MITFSC will pay for 50% of your private lessons costs during the 2012-2013 school year up to a maximum cap per person. The maximum cap will be \$200, unless more than 15 students apply.
- If more than 15 eligible students apply, priority will be given to students who intend to compete in an intercollegiate competition during the 2012-2013 school year. If necessary, available funds will be divided equally among eligible applications at the end of the initial application period.
- The initial application period will be from <date> to <date>.
- After the initial application period, all other applications will be considered on a first-come first-serve basis if funds are still available.

- You must be full-time MIT student and a member of MITFSC, (although you do not necessarily have to maintain USFS membership through MITFSC).
- You are responsible for submitting to the treasurer any documentation required by MIT to process the subsidies.
- **You are responsible for the full cost of any late cancelled lessons. If you state you intend to compete and do not, you are responsible for any difference in the subsidized amount you would have received. If your application is approved, you will be required to leave a check as a deposit.**

I have read and agree to the policies above.
