

SLOAN SCHOOL PC LAPTOP BUNDLE

MIT Sloan School has selected InfoTech to offer Sloan School students an opportunity to purchase an IBM Thinkpad at a special Back to School price. The award winning Thinkpad will come pre-loaded with Microsoft Office Pro 97 and be pre-configured to MIT Sloan School specifications. InfoTech has been working with MIT Sloan School staff to assure that the product offered will provide the end user with a high tech solution that is ready to use right out of the box.
