General Guidelines Snow Cap Ski Dorm

Reservations and Check-In:

Reservations and all payments for trip participants must be finalized with Ryan Moltenbrey and Sunday River Group Sales by **Wednesday, March 28, 2007**. You may check into the Snow Cap Ski Dorm any time after 4pm on March 31, 2007. Upon check-in you will be asked to present a valid ID, which will then be matched up to our master guest list. At that time you will receive your welcome packet with your room assignments, keys, and lift tickets for the weekend. A limited number of room keys will be allotted for each room and group of friends.

Free Ski Giveaway:

K2 and Rossignol have donated several pairs of skis for your enjoyment. Please make sure you fill out an enter to win sheet and place it in the drop box at the front desk of the Dorm. We'll be drawing and posting winners at the front desk throughout the weekend, so make sure to keep checking back.

Towels/Linens/Toilet Paper/Housekeeping:

Linens for the beds and towels/toilet paper for the bathrooms *are* supplied for the weekend. However, housekeeping *does not* come through and tidy up during weekend stays, so you'll need to recycle your towels or bring your own for a second day. Some items can be provided if missing by seeing the dorm manager or contacting the Snow Cap *Inn* next door at 207-824-5200.

Respect the Space:

The Sunday River Ski Dorm is a one of kind lodging experience in the New England Ski scene and is typically reserved for youth race teams and school ski trips. The Dorms classic bunk style bedding in rooms of 8/5/4, open common areas for gathering, and location make it the best lodging deal in the northeast. With that said; there'll be approximately 200 college students using the dorm throughout Parrot Head weekend, so there are high expectations that the space and students within its walls treat each other and the Dorm with respect. The Bottom line is that if things go bananas, Sunday River will not be able to offer such incredible deals to the college market in the future. Have fun and play in control!

Smoking, Drugs, and Alcohol Policy:

There is **NO SMOKING** of anything in Sunday Rivers lodging properties, which includes the Sunday River Ski Dorm. Take a walk if you want to light up. **Drugs are illegal**. Alcohol is **PROHIBITED in the common areas of the Dorm** unless otherwise posted, and is illegal for anyone under the age of 21 to consume.

Mountain Security:

The Ski Dorm has an on-site resident manager that will be around to assist you with check-in as well as answer any questions. Sunday River Security will be making their normal rounds throughout the weekend and requests that if anyone needs assistance to please contact them directly at 207-824-5054. The Snow Cap *Inn* can also assist with any immediate questions and can be reached at 207-824-5200.

Have Fun and Enjoy the Parrot Head Festivities!

Rooming List Instructions:

Begin by selecting your room type; 8- bed, 5-bed, 4-bed, or single and write a name for each group member who'll be taking a bed. Next, list the total package price and any notes that may be needed for the reservation. We'll do our best to accommodate all requests, but nothing is guaranteed.

Sunday River Snow Guarantee:

There are uncontrollable factors in the alpine environment. Weather and traffic can both result in changes in surface conditions or trail openings. To ensure you the best possible skiing and riding, we have created one of the most comprehensive snow guarantees in history:

- After testing* the snow conditions, if you are dissatisfied, you may request a snow guarantee on your lift ticket prior to **10:30am** by turning in your lift ticket at the Guest Services window in the Welcome Center.
- Some limitations apply. Inquire at any Guest Service Desk for a detailed description of the Snow Guarantee Policy.
- Please note that this is a snow conditions guarantee only. No vouchers will be given for weather or crowd conditions.

No cash refunds or Sunday River money will be granted.
