

## **SP.747 Assignment 2**

### **Journal Assignment**

Over the next four weeks we ask that you explore the sites listed below looking for, and saving, images that catch your notice. Please also create and save a text file referencing where each image comes from and noting any pertinent information about the image along with your comments on the image.

**Due Feb. 21:** For next week please have three of these images that you can present to the class: like, interesting, and, dislike.

#### **Procedure:**

In your directory please create a folder called webpics and three subfolders: \like, \interesting, and, \dislike.

Using the web, please find, collect, and, save, to the appropriate directory, three different kinds of images:

1. images you really like, saved in webpics\like
2. images you find interesting, saved in webpics\interesting
3. images you dislike, saved in webpics\dislike

Please also create and save a text file referencing where each image comes from and noting any pertinent information about the image along with your comments on the image.
