

SP.747

Assignment 2B (Journal)

Feb. 21, 2008

A. Data Presentation and Organization

1. Look at Martin Wattenberg

<http://www.bewitched.com/>

Explore his site, then click on Research. In the last item under Research launch treemap:

<http://www.smartmoney.com/marketmap/>

2. Compare Wattenberg's treemap data organization to:

<http://www.tenbyten.org/10x10.html>

B. Differing Methodologies and Intent

1. Look at the following websites and compare and define your impressions of each.

a. Ron Brown PhotoGraphics

<http://www.xmission.com/~photofx/>

b. John Paul Caponigro

<http://www.johnpaulcaponigro.com/>

Click on Gallery

2. Do a web search on Gregory Crewdson and look at his work. I haven't found a good site that shows his work but there are many sites that talk about his work. You may find it of interest.
