

How to get your own copy of Mnova Lite

- 1) Go to the cambridgesoft.com website and login. You will need to register if you do not already have an account.
- 2) Go to *My Account > My Site Subscriptions > Download Site Subscription Software*
- 3) Download ChemBioDraw Ultra
- 4) Go to *My Account > My Downloads*, and you will see the serial number you need to activate ChemDraw. Copy this number.
- 5) Install ChemDraw (this also installs Mnova Lite).
- 6) Open Mnova and copy the Host ID. You can find this under *Help > License Manager*.
- 7) Go to this website and fill out the form.
