

# **MIT Washington Summer Internship Program**

## **Intern Evaluation**

Name of Intern:

Organization or Agency:

### 1. Evaluate your experience

Write a few paragraphs describing your summer internship experience. Discuss your interactions with your supervisor, the type and amount of substantive work you were given and your overall work experience in the agency or organization. Be candid and honest in your description. Is there any advice you would give to a student who is thinking of applying for this position? What type of person is well suited to this internship?

## **MIT Washington Summer Internship Program**

### **2. Evaluate your performance**

Evaluate your performance in your internship this summer. Write a few paragraphs in which you discuss aspects of the job which you feel you did well and ways in which your performance could improve. How did you contribute to the office? If given the chance what would you do differently?

## **MIT Washington Summer Internship Program**

### 3. Evaluate the MIT Washington Summer Internship Program

Describe your overall assessment of the MIT Internship Program. In what ways could the program be improved? What aspects should stay the same? Would you recommend the program to other MIT students?
