

3-1 MIT Housing System

Occupancy of single-student dormitories denoted in parentheses.

Westgate and Eastgate each contain about 200 apartment units, each of which may house 2 or more students and family members.

Fraternities and Independent Living Groups house varying numbers of students, typically around 30 students each.

- Undergraduate Housing
- Single Graduate Student Housing
- Student Family Housing
- Fraternities and Independent Living Groups
- Other MIT Buildings
- Non-MIT Building Uses
