

95 Conspiracies That Might Be In This Game

January 31, 2008

(With apologies to Martin Luther)

Out of love for the truth and the desire to bring it to light, the following propositions will be discussed at the Common Room, under the secretariat of the Kofi Annan, Secretary General of the Esteemed United Nations, and Lecturer in Ordinary on the same at that place. Wherefore those requests that those who are unable to be present and debate orally with us, may do so by letter or blog.

In the Name of Our Lords, the GMs. Amen.
