

The MIT Assassins' Guild Presents:

SYNCHRONICITY

A game of choice and change.

ALL BRIDGES IN AND OUT OF MANHATTAN ARE CLOSED UNTIL MONDAY.

I can't find my friend.

I've been having these strange dreams...

That wasn't there before.

Why am I getting lost?

LOCKDOWN STRICTLY ENFORCED.

Something doesn't feel right.

What's going on?

My head hurts.

I can't sleep.

What was that?

What's happening to us?
