MIT Family Weekend

Mark your calendars! This year's MIT Family Weekend is October 27 - 28, 2017. The [full schedule can be found here](#). Below are two events to get involved:

Underclass Ice Cream Social
4:00 - 5:30pm October 27, Morss Hall

On Friday, October 27, while the Class of 2018 kicks off senior year at the Senior Class Toast, we will be hosting an Ice Cream Social in Walker Memorial's Morss Hall for juniors, sophomores, and first-year families. This would be a great opportunity for the Class Councils to share with parents and families some of the planned events and activities for the year. For example, junior class officers could talk about Junior Formal; sophomore class officers could talk about RingComm; and the first-year class could introduce its newly elected class officers!

Fall into Family Weekend
October 28, 2017

On Saturday, October 28, we will host a fun-filled autumn festival called Fall into Family Weekend! There will be fall-themed food and activities, and we would love to have student groups set-up tables to show off their clubs and organizations. We sent out a [sign-up form](#) for student groups who may want to have a table at Fall into Family Weekend, or for student groups who might like to have a stand-alone event during Family Weekend.
