Poems for MIT Students Proposal

Attachment #2, 44 UAC 11

Submitted by *Katy Gero* on April 1st, 2013

I'm holding a poetry contest for poems specifically about the MIT experience. There is \$600 in cash prizes, plus selected poems will be published in a chapbook for graduation. The main goal is to get people talking about what it's like to go to MIT in a different way.

...

I'm requesting \$300 from the UA, which would go towards the publication costs. As I want to provide the publication for free distribution, that is the largest cost. You'll note that my total requested budget is larger than my expected expenditures, but already I've learned that I won't be getting funding from the Council of the Arts.

Please let me know if you have any questions. The goal is to get people talking about what it's like to be at MIT, both by submitting the poetry and by reading it. I plan to make the publication available to everyone, but specifically distribute it at graduation. The submission guidelines are available at poems.mit.edu.
