

41 U.A.S. 11.1

Bill to Get a Refrigerator

Whereas there is currently no facility for storing leftover food or drinks from Senate meetings; and

Whereas the UA could save money in both Senate and Exec meetings by reusing soda, milk and other food; and

Whereas the Vice Speaker currently finds creative ways to use the leftovers; and

Whereas there is not enough clutter in the UA Office;

Be it enacted, by the Undergraduate Association assembled in Senate:

That the chair of the Committee on Dining investigate, purchase and maintain a full-size refrigerator, to be placed in the UA office; and

That this refrigerator be cleaned at least twice per academic semester; and

That \$500 from the Senate Discretionary fund be allocated to fund the purchase, delivery and installation of said refrigerator.

Respectfully submitted,

Tim Stumbaugh
UA Senate Speaker
