

40 U.A.S. 12.8

Bill to Create Special Projects Committee

Whereas the roles of the UA President and Vice President encompass many tasks; and

Whereas many side projects that benefit the entire student body often are not initiated due to other commitments on the part of the UAP/VP; and

Whereas there is no current outlet for such projects to be delegated in an orderly fashion; and

Whereas the UAP/VP may have projects that need appropriate attention that do not fall under the purview of other standing committees;

Be it enacted, by the Undergraduate Association assembled in Senate:

That the Special Projects Committee be created as an Ad-Hoc committee of the Senate; and

That the UAP/VP be responsible for oversight of said committee; and

That recruiting procedures for said committee will be carried out in a similar fashion to other committees of the Senate; and

That the Special Projects Committee will be on trial for Fall 2009, and it is in the purview of the UAP and Senate to determine its life thereafter.

Respectfully submitted,

Noah Jessop
UA President
