

40 U.A.S. 12.9

Bill to Support Office Renovations

Whereas the UA office has undergone a complete transformation this year and is now a frequently used space; and

Whereas the UA office is still in need of some capital improvements; and

Whereas the automatic locks on W20-401b and W20-401c are a pain to deal with and often leave members locked out of important spaces; and

Whereas the office TV, one of the most expensive items in our office, can currently be stolen in less than thirty seconds; and

Whereas more UA business is performed online than ever before;

Be it enacted, by the Undergraduate Association assembled in Senate:

That \$3,100 be allocated from the UA Reserve to support office renovations; and

That \$2,000 be allocated towards installing a projector in W20-400; and

That \$500 be allocated towards replacing the automatic locks in W20-401 with normal door handles; and

That \$600 be allocated to mounting the TV to the wall in W20-401.

Respectfully submitted,

Michael Bennie
UA President-Elect
