Rules:

There are **24** prizes in total in the above lists.

The top **20** in “Points” will get prizes. **1st place will get two prizes**, and players choose prizes in descending rank. 1st place, first to pick, cannot not choose prizes from the same category. The top **3** in “Average Points per Game”, who have played at least 10 games and not already received a prize, will receive the last three prizes.

There will be additional tournaments during the last week of competition, and competition ends on the night of Thursday, February 2nd. **Prizes will be handed out during the last lecture on Friday, February 3rd**. Please be there for the grand finale! If you cannot be there, consider donating your prize to the next person, or email me to pick for you.
