

KEEPING THE SPIRIT-FILLED LIFE

If the person thus filled channels and continues to channel the power received into the seeking and winning of the lost or the domain of the Lord's special calling on his life, if the person continues to walk intimately with the Lord and continues to grow in intimacy with Him, if he or she continues to obey the Lord in all things at any cost, the Holy Spirit will continue to rest upon him in fullness and the power of the Lord will continue to flow through him in fullness. He will find that with an ever-increasing pouring out himself in obedient service, in walking in ever-increasing intimacy with the Lord, in ever-increasing obedience to the Lord, the Holy Spirit will dwell upon him and the power of the Holy Spirit will flow through him in ever-increasing degrees of fullness.
