**Article IV : Officer selection, resignation and impeachment**

1. Officers are appointed among the WCA members according to the following procedure and timeline.
a. November-December: WEC Officer evaluations are held. During this time the current officers elect to continue in their positions or resign. The evaluations determine whether or not officers are in good standing with the committee.

b. January-February: Advertisement of open officer positions to WCA members. An information session where current officer board can talk to prospective candidates and answer questions should be held during this period. Officer applications will be made available at the info session.

c. Mid-End February: Prospective candidates are invited to speak to the WCA members about their interest in a specific position and past community service. WCA members present along with the current officer board are given the opportunity to share their feedback via blind feedback box about current candidate pool.

d. Early March: A search committee consisting of the Program Manager, outgoing officer, the Graduate Coordinator, and two floor reps or volunteers (selected at random) interviews candidates and forwards its recommendations to the appointing committee. The appointing committee consists of the Program Manager, the Graduate Coordinator and an outgoing officer and is chaired by the Program Manager. The appointing committee makes the final decision about the appointment and notifies the new officers.

e. Mid March-Mid April: Transition period with outgoing officers training the incoming officers. All outgoing officers should complete an exit interview and report to ensure a smooth transition. The new officers should take office in the middle of the transition period. Ideally two WEC meetings should be held in the transition period: the first one conducted by the old officer board with the new officer board present and the second conducted by the new officer board with the old board present in a consulting role.

In case of resignation/impeachment officer positions are filled as needed with a similar appointment procedure, decided by the WEC.

2. A committee member is expected to notify the committee at least 2 months prior to their graduation or resignation.

3. Current officers are allowed to continue in their present positions as long as they desire, subject to the following rules:
   a. The officer must be in good standing on the committee, having fulfilled the requirements of their positions as outlined in the WCA constitution.
   b. The officer must not be graduating mid-year.
   c. The annual officer evaluations, described above should serve to determine whether officers wishing to continue in their current positions have fulfilled the requirements of said roles.
   d. Officers whose evaluations indicate that they have not been performing all of the duties required of them should be offered a time period in which to correct the situation. This probationary period should last approximately one to two months and conclude with a follow-up evaluation.
e. Should this follow-up evaluation indicate that the officers in question are still performing below the required standards as outlined in the constitution, these officers should be asked to tenure their resignations. Removal from office will occur as a result of a unanimous vote by the remaining executive members, program manager, and the graduate coordinator.

4. Officers in good standing are eligible for exemption from the housing allocation process.

Article IV : General Procedures

The WEC meetings are conducted by the WEC officers, the program manager, the graduate coordinator and the house manager. The WEC minutes are confidential. Voting on issues during WEC meetings is won by a simple majority where each officer position is given one vote.

2. There should be regular town hall meetings during the academic year, at least one town hall meeting per semester. Minutes of the town hall meetings should be posted on the web page of the WCA.

3. In some cases, the committee may invite all Westgate residents to vote. In such cases, a simple majority of those participated is required. The voting can be anonymous, ballot, or hand count. Each apartment receives one vote and a minimum of 25% of Westgate apartments must vote to establish a quorum. Adequate notification should be given to the WCA members and arrangements should be made by the WEC to ensure maximum participation in the elections.
