CRM (customer relationship management) related CM functionality
(delivered with own release cycle and for separate instance)

- Recruitment
- Correspondence
- Communication management

Financial Aids?
The next release of Campus Management is...

- CM 4.63, delivered in May 2001
- will be a controlled available release
- delivered on the FI-CA CD (IS-PS-CA 4.63)
- further releases: planned for 1.-2 quarter 2002

Release cycle Campus Management
Campus Management – System Environments

- Campus Management is controlled available in May 2001 (CM 4.63)
- CM runs with FI-CA (IS-PS-CA) which covers student accounting, no problem with HR-PS
- Not compatible with IS-PS

- Production implementation planned for 2001 and 2002:

  **One instance**

  Core 4.6C (standard R/3 for FI, CO, FM, MM, HRFPM, PM)
  PLUS
  Add-on for HR-PS and CM (IS-PS-CA 4.63)

  **Two instances**

  1) IS-PS (for GASB 34/35) including HR-PS
  2) CM (IS-PS-CA 4.63)

- Production implementation planned for 2003 or later:

  Unification of IS-PS and core planned for core release 4.7 (2002Q2)
