THE BIOLOGICAL ENGINEERING DIVISION (BE) and THE BIOTECHNOLOGY PROCESS ENGINEERING CENTER (BPEC) at MIT are seeking outstanding undergraduates to participate in its Research Experience for Undergraduates (REU) program. The REU program provides research opportunities in biotechnology and biological engineering at MIT to undergraduate students who are United States citizens or permanent residents and are currently enrolled at other colleges and universities in a degree-granting program.

BE/BPEC will be selecting students for this summer term, June 10 – August 18, 2007 to work full-time on biotechnology research. The program dates are not flexible. No exceptions will be made.

We are proud that our program provides the following:

- $4,000 stipend
- $1,000 food stipend
- MIT Living Group housing
- Travel expenses (restrictions apply)
- Lab/research experience
- Seminars on:
  - BioEng/Biotech Research
  - Professional Development
  - Graduate School
  - Responsible Conduct in Research

Research projects will be assigned based on a review process and may not coincide with an applicant’s major. For additional information on the research done at BPEC and application forms, please visit:

The Massachusetts Institute of Technology is committed to the principle of equal opportunity in education and employment. The Institute does not discriminate against individuals on the basis of race, color, sex, sexual orientation, gender identity, religion, disability, age, veteran status, ancestry, or national or ethnic origin in the administration of its educational policies, admissions policies, employment policies, scholarship and loan programs, and other Institute administered programs and activities, but may favor US citizens or residents in admissions and financial aid.*

The Vice President for Human Resources is designated as the Institute’s Equal Opportunity Officer and Title IX Coordinator. Inquiries concerning the Institute’s policies, compliance with applicable laws, statutes, and regulations (such as Title VI, Title IX, and Section 504), and complaints may be directed to the Vice President for Human Resources, Room E19-215, 617-253-6512, or to the Coordinator of Staff Diversity Initiatives/Affirmative Action, Room E19-215, 617-253-1594. In the absence of the Vice President for Human Resources or the Coordinator of Staff Diversity Initiatives/Affirmative Action, inquiries or complaints may be directed to the Executive Vice President, Room 3-211, 617-253-3928, or to the Director of Labor and Employee Relations, Room E19-235N, 617-253-4264, respectively. Inquiries about the laws and about compliance may also be directed to the Assistant Secretary for Civil Rights, US Department of Education.

*The ROTC programs at MIT are operated under Department of Defense (DOD) policies and regulations, and do not comply fully with MIT’s policy of nondiscrimination with regard to sexual orientation. MIT continues to advocate for a change in DOD policies and regulations concerning sexual orientation, and will replace scholarships of students who lose ROTC financial aid because of these DOD policies and regulations.

Postmark Deadline for Applications: Thursday, March 1, 2007
