Hi Jeff, 

I just need to confirm that the lab is ready to receive the fish before I officially place the order. Could you give an estimate of the total costs for the order? 

Thanks 

Chris

Jeff, 

The delivery address will be in Cambridge, MA 02139. I can attach a standard MIT order form with credit card #, delivery address etc. _will that work for you? 

Chris

Hello Jeff,

Several months ago I contacted you regarding an MIT researcher’s interest in purchasing Psueudoinelepis (Stock # SPL152). The purchase has been authorized and Ashley Browning informs me that you have that species back in stock. How would you prefer me to submit the order (email, fax, Etc.)? I wasn’t able to pull up our previous e-mail exchange so I apologize if you’ve explained this earlier.

Please let me know what information you will need to set up an order.

Thanks,

Chris
